

Bird Alliance of Oregon

Northern Pygmy Owl, photo by Scott Carpenter.

OUR WORK

Bird Alliance of Oregon inspires and connects all people to nature through a variety of programs that are grounded in science and learning. Our 15,000+ members are part of a thriving community of advocates, nature enthusiasts, and partners who are dedicated to protecting the natural world upon which all living beings depend.

Protect

We work to protect imperiled species, reduce threats to birds across the Oregon landscape, preserve high-priority habitat, fight climate change, and advocate for equitable access to nature for all people in the region.

Educate

Our environmental education programs inspire more than 7,000 children and 4,000 adults a year to better understand and connect with the natural world.

Rehabilitate Wildlife

The Wildlife Care Center treats 4,000+ injured and orphaned native animals and responds to more than 10,000 wildlife-related inquiries a year.

Steward

Our wildlife sanctuaries in the city, mountains, and coast model healthy ecosystems, offer safe havens to wildlife, and provide people with places to connect with nature.

Ways to Engage with
BIRD ALLIANCE OF OREGON

birdallianceoregon.org

► Visit the Sanctuary

Visit our 172-acre wildlife sanctuary in Northwest Portland. A family-friendly space with over 4 miles of forested hiking trails that provide a safe haven for native flora and fauna.

► Shop the Nature Store

Shop on-line or in-person for nature-themed art, gifts, books, and more. Bird Alliance of Oregon members receive a 10% discount on all purchases.

► Attend Adult Education Programs

Join expert educators in-person or on-line to explore the natural world. Bird Alliance of Oregon members receive a discount.

- **CLASSES:** Enjoy classes on bird ID, birding by ear, butterflies, nature-inspired art, mushrooming, plants, and more.
- **OUTINGS & FIELD TRIPS:** Full-day, half-day, or multi-day local, regional, or Pacific Northwest Trips to natural areas.
- **ECOTOURS:** Explore exciting destinations in the Pacific Northwest and across the globe with experienced guides.

► Enroll Kids in Nature Camps

Offered throughout the year, camps for kids foster opportunities for kids to learn, play, and explore, all while making friends and connecting to nature.

► Join the Backyard Habitat Certification Program

Enroll your yard or community site in Backyard Habitat. Learn how to create habitat with native plants, remove hazards, and use environmentally-friendly gardening practices.

► Advocate

Help make positive change across the state. Sign up to receive action alerts that will help you advocate to protect habitat and wildlife.

► Become a Member of Our Volunteer Flock

Choose from on-going roles working with one of our programs or at the Sanctuary, or volunteer to work at an event. Our passionate volunteers are an essential part of our organization.
